The Air / Moon 月 (getu)

They hope world peace and serenity. Everything need to be fair and equal, which means they do not like the power trip and injustice action. They believe the freedom is for everybody and right to have. Their happiness and joy is the reflection of other's smile or/and joy. Human need to help each other to live with honesty. If someone uses authority for unfair justice, this element will fight for "human right" for other. It is the key to be successful with this element is "Take time for own self, and don't feel bad to say "No". Each person has own understanding of RIGHT"

Shopping: They like human happiness than become rich, though they consciously or/ and unconsciously like to save penny like using coupons or earning points, bargain, sale like smart buyer. It needs to extra caution when they spend expensive items, because they do like to ask other decision, so easy to get caught in swindler's sugared words, specially in their Zerology winter season.

How to communicate productively with this element: "It is for supporting people!". There is the key to express you are taking care of other. This person also feel comfortable with gentle petting/touching head and shoulder during communicating.
